

Havana Glasgow Film Festival

15 – 19 November 2023

@hgfilmfest

hello@hgfilmfest.com

www.hgfilmfest.com

It's our ninth Festival celebrating Cuban film and culture!

This year we delve into real and imaginary worlds, with a focus on animation, and are thrilled that Festival Co-Director Hugo Rivalta will present his first animation feature film *La Super / Supergal* as screenwriter.

Socially engaged animator Ivette Ávila Martín joins us from Havana to showcase her work and present *A History of Cuban Animation* with Hugo on our opening night.

Actor Laura de la Uz returns to discuss her life and work and present her latest film *El Mundo de Nelsito / The World of Nelsito*. DJ Cami Layé Okún played a sell-out night at CCA last year, merging sounds on vinyl from Africa and Latin America and we are thrilled she is back!

We thank our funders, collaborators, audience and friends for your ongoing support for our special and much-loved Festival and are excited to work this year with two Perthshire venues too. See you soon!
